Dear Mr. Craven;

I am in receipt of your public records request received by email on August 7, 2013 which requests the following records in the custody of the Nantucket Police Department:

*"Any email correspondence between Nantucket police and emails ending in @state.gov"*

In accordance with the Commonwealth of Massachusetts, Secretary of State's guidelines pertaining to your request, this agency must require a fee to be paid in advance, for the search and review of the information requested above. Specifically, an Information Technology analyst is the lowest paid employee that is capable of performing the task required. The rate paid this employee is \$50.16 per hour. The time shall be limited to record searching for what is needed to satisfy the request and the redaction of protected information.

A conservative estimate of the research time involved is approximately sixteen (16) hours. The reasonable fee in order to meet your request is established at \$802.64. Please forward a check to the Nantucket Police Department, at the address noted above and payable to "The Town of Nantucket."

Upon receipt of payment, we shall initiate the process of research and production of documents to comply with your Public Records request.

Sincerely,
